

# High Fives!

For those who go the extra mile!

Recently, I had the good fortune to work with some wonderful Jefferson County employees. I continue to be impressed with the caliber of the people who work for us Jefferson County taxpayers.

A while ago, I came up short with some prescription / medication disposal site posters I was distributing in my district. One short phone call later, I was told I could pick up what I needed in a few hours..... Imagine!!!! Same day service, quality workmanship and professionalism!!! Kathy Hart was 'johnnie-on-the-spot". With many things on her plate, she still managed to accommodate my request. My thanks to her for her good work and timely turn-around!

I would also like to thank Sharon Ehrhardt for her passion and knowledge of recycling! If we all shared her enthusiasm for a clean environment, it would be just that.... A "Clean Environment"! Sharon continues to make our Solid Waste/Air Quality Committee members look good with her wealth of information.

I believe "good people" make good government and we are blessed to have two of Jefferson County's finest, working for us.

Sincerely,

Gregg Patrick

Jefferson County Supervisor – District 26
